

PARENT OR CARER OF A CHILD AGED 0-8?

WORKING TOGETHER TO IMPROVE CHILDREN'S SERVICES IN YOUR LOCAL AREA

Your local area has asked ScotCen Social Research to carry out a Parent/Carer survey to help understand the needs and wellbeing of your family and your experiences of local services.

A trained interviewer may knock on your door between January and May 2017 to ask if you are willing to take part in a 30 minute survey.

WHY WE WANT YOU TO BE INVOLVED

The Council has funded the survey as part of the **Realigning Children's Services** project. By speaking to as many parents/carers of 0-8 year olds as possible, we can gain a true picture of the circumstances of children and families in your area so that improvements can be made to services like schools and childcare.

WHAT'S IN IT FOR ME?

THIS IS YOUR CHANCE TO HAVE YOUR SAY!

This survey will help shape and improve local services.

We hope that you will take part. And if you do, your responses will remain strictly confidential and will be anonymous in the write up of the research.
