

Monday 22 October 2018

Radisson Blu Hotel, 301 Argyle Street, Glasgow, D2 8DL

Take action on stroke and join us at the UK Stroke Assembly Scotland. This one-day event will bring together those affected by stroke living in Scotland to have their say on stroke, share experiences and hear the latest developments in stroke care and research.

The event starts at 9.50am (registration from 9.00am) and finishes at 4.00pm on Monday 22 October.

Programme

The event will take highlights from past UK Stroke Assembly events and be aimed at people affected by stroke, from Scotland. The interactive and inspiring conference includes talks and workshops delivered by stroke survivors and stroke professionals, an exhibition and lunch.

View the draft programme at www.stroke.org.uk/uksascotland2018.

“It was so helpful to be together, hear positive experiences and to be encouraged by others who understand and experienced a life changing stroke.”
UKSA delegate

The programme has four themes running throughout.

With you in mind

We know that attending a conference might not be easy or something that you have done before. We have carefully chosen a venue that is accessible and designed a programme that allows you time to rest. We ask for the views of those affected by stroke when making these decisions.

Bursaries

Thanks to the support of the Stroke Association, ticket prices are kept as low as possible. However, if you need support covering the costs of attending, please contact us for more information about bursaries (contact details on page 4).
