

Power of Attorney Zoom Sessions

What would you do if the person you care for lost the capacity to make decisions on their own?

Come along to an informal online session to find out more about:

- Incapacity and how this could impact on your caring responsibilities
- How being granted Power of Attorney could help you in your caring role
- How “Solicitors For Older People” can help you when applying for Legal Aid to cover or subsidise any associated costs

If you are a carer who would like to attend any of these sessions, but are not sure how to go online, or how to join a Zoom meeting, please contact Donna Mulder or Tracy Gibson – see contact details below
